

## Season opening weekend

The 2016/2017 Premiership starts on 7th August! Do you want to start the new season alone at home? No, definitely not! That's why we are organizing a brilliant weekend to celebrate the event all together. Because it's a fact: together is funnier.

Instead of the traditional hike we do every summer, we thought that an open air festival would be a good way to lunch the new season. Located in Sion, in the heart of the Alps, the Guinness Irish Festival is the place to be if you love Celtic music, crazy people and, well, Guinness! It's a kilt-wearing and family-friendly festival, mixing all generations in a warm atmosphere. So, pack your Celtic top, put the kids on the car and enjoy the craic in Valais next month!

### When?

6<sup>th</sup>-7<sup>th</sup> August 2016

### What?

6<sup>th</sup> August: Guinness Irish Festival from 5.30pm

For those who want it, we can of course plan a hike on the Saturday in the vineyard and forests surrounding the town. All requests are welcome.

### Where to stay?

There is a free "potato-field" camping site at the festival. There are two normal camping sites, a youth hostel and some hotels in town. Ask Steph for more information.
